SEVERE SKIN AFFECTION

Cured by Our Reliable Skin Remedy Saxo Salve.

"I suffered from a severe skin affection so I could not sleep nights. I was almost crazy with itching. I would scratch and almost tear myself to pieces. I tried a great many remedies without relief. When I saw Saxo Salve advertised I decided to try it and one tube entirely cured me. I recommend it wherever I go."—A. L. Morgan, Endicott, N. Y.

Many persons around here suffer so much from eczema that they cannot sleep at night. Saxo Salve stops the terrible itching and soothes and heals the eruptions.

In all kinds of eczema, salt rheum, tetter, barber's itch, etc., Saxo Salve has wonderful healing power because it penetrates the skin pores and destroys the germs at the very seat of the disease.

We give back your money if Saxo Salve does not help you. Stone & Mercer, druggists, Clarksburg, W. Va.

P. S. Eczema and other skin affections often result from poor, thin, impoverished blood. We guarantee Vinol as the best blood tonic we know.—Advertisement.

Pruritis a Severe Form of Eczema

A Method of Home Treatment that is Very Effective.

There is probably no other remedy so well known as S. S. S. for the blood. And for this reason it is the one remedy invariably called for in treating pruritis and other skin diseases. But there are many people who do not insist upon having S. S. S. and are easily persuaded to try something else "just as good," so they are told. If your blood is thin; if your skin is irritated with eczema, lupus, tetter, psoriasis, or any other blood humor; if you are troubled with pimples or boils, do not permit yourself to be talked into buying something else, but insist upon S. S. S. It is really a remarkable remedy. It contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutriment. And the medical elements of this matchless blood purifier are just as essential to well-balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food. These facts are brought out in a highly interesting book on skin diseases, compiled by the medical department of the Swift Specific Co., 184 Swift Bldg., Atlanta, Ga. It is mailed free, together with a special letter of advice, to all who are struggling with a blood disease.

"WORN TO A FRAZZLE"

When President Roosevelt popularized the word "frazzle" he reminded lots of women of the only expression that tells how they feel after the work of washday or housecleaning with common old yellow laundry soap. Easy Task laundry soap—the hard pure, white quick-action soap—cuts the work square in two and keeps women from getting frazzled out.—Advertisement.
